Dainty lace trimmed \$6.50 lawn dresses, \$3.50

COME and see the beauty show in white—those immaculate shirt waist suits—creations that are noteworthy for they regal style, elegance and simple beauty—handsome, sheer fashionable fluffy frocks of fine lace and lawn—not one in the lot that you can low at without admiring.

The lace and lawn could not be purchased for the price - then there's the work of the dressmaker. They are shirt-waist suits you'd consider remarkable bargains at \$6.50-twelve hundred of them Friday and Saturday at \$3.50.

We've never offered suits of this character before for \$3.50-never expect to again. because we profited this time by a manufacturer's mistake—he made shirt-waist suits on an order for shirt waists—had the goods all cut before he discovered his mistake—we bought them at half, and you buy on a similar basis; and, as we said before, Friday's and Saturday's prices do not pay for the cost of the material.

We could easily get \$1.50 more for these suits, but we want you to talk about this store—the wonderful values we give—and we know these shirt-waist suits at \$3.50 will make you talk, for there's never been anything in America like them offered at the price. We're so proud of them that we're going to make a picturesque show of them in our

windows and showrooms, and there's not a woman in all New York that needs a suit of this kind that can pass them by—now, just imagine a beautiful white lawn shirt-waist suit, with waist and skirt trimmed with fine narrow Valenciennes lace insertion—some of the waists having an entire front of lace—for \$3.50! It's a revelation in value-giving you'll never forget—there's only 1,200 of them, and you know the great crowd that came here last Friday, when we advertised those \$1.95 suits-come early-while they

THREE DOLLARS is the regular price for these WE'LL sell the first thousand for Summer and outing wear, and we don't know of any particular reason why we should sell them for any less except that we don't want any woman to overlook this very important article in preparing for her over-Sunday and Fourth-of-July outing.

There's something about these Oxfords that is cool and soothing to tired feet, and in all your trudging around the country your feet are bound to become pretty tired.

There's a style charm, too, that you seldom find in anything short of a \$5 oxford. Understand, now, these oxfords are not built solely for outing purposes. It's this very charm of style that has caused so many women to prefer them at \$3 to the higher priced oxfords elsewhere, and to-morrow the price is only \$1.95 —the best bargain that ever came at an opportune time.
